## 👑 Before you cook

Take a minute to read through the recipe before you start—we promise it will be time well spent!

- If using fresh produce, thoroughly rinse and pat dry
- Bring 3 cups **water** to a boil in a small pot
- Ingredient(s) used more than once: **green onions**

### Customize It Instructions

- If using **20 oz. steak strips**, follow same instructions as 10 oz. steak strips, working in batches if necessary.
- If using **diced chicken**, pat dry and season all over with **seasoning blend** and a pinch of **pepper**. Follow same instructions as steak strips in Steps 4, stirring occasionally until chicken reaches minimum internal temperature, 5-7 minutes.
- If using **ground pork**, follow same instructions as steak strips in Step 4, breaking up meat until no pink remains and pork reaches a minimum internal temperature of 160 degrees, 4-6 minutes.

Minimum Internal Temperature

Steak 145° | Chicken 165° | Pork 145° | Salmon 145° | Shrimp 145°

1

### Prepare the Ingredients

- Trim and thinly slice **green onions**.
- Core **tomato** and coarsely chop.
- Peel husk off **corn** and remove kernels from cob, holding cob vertically and carefully slicing downward.
- Separate **steak strips** into a single layer and pat dry. Season all over with **pot roast seasoning** and a pinch of **pepper**.

2

### Start the Risotto

- Place a medium pot over medium-high heat and add 1 Tbsp. **olive oil**.
- Add **corn**, half the **green onions** (reserve remaining for garnish), and a pinch of **salt** and **pepper** to hot pot. Stir occasionally until corn starts to brown, 2-3 minutes.
- Add **rice** and stir occasionally until rice is toasted, 1-2 minutes.

3

### Finish the Risotto

- Add 1 cup **boiling water** from small pot to pot with rice. *Rice should just be covered by water.* Stir often until nearly all water is absorbed.
- Add ½ cup boiling water from small pot and stir often again until nearly all water is absorbed. Repeat this process, stirring often, 18-20 minutes.
- Taste *risotto* as you cook, checking for tenderness. *When rice has no more "bite" or crunch, it's done. There may be water left.*
- Remove from burner. Stir in **Parmesan**, **sour cream**, ½ tsp. **salt**, and a pinch of **pepper** until combined. Cover and set aside.

4

### Cook the Steak Strips

- Place a large non-stick pan over medium-high heat and add 2 tsp. **olive oil**. Add **steak strips** to hot pan and stir occasionally until browned, 3-4 minutes.
- Add ¼ cup **water**, **tomatoes**, **demi-glace**, and a pinch of **pepper**. Stir occasionally until tomatoes break down slightly and steak strips reach a minimum internal temperature of 145 degrees, 2-4 minutes.
- Remove from burner.

5

### Finish the Dish

- Plate dish as pictured on front of card, placing **steak strips** on **risotto** and garnishing with remaining **green onions**. Bon appétit!
